With strong commitment to supporting regional food economy, West Coast neighborhood grocer to create more than 100 jobs in Hillsboro's Tanasbourne Area

Portland, Ore. (May 1, 2023) – West Coast neighborhood grocer [New Seasons Market](#) is opening its 22nd store, located in Hillsboro's [Tanasbourne Town Center](#). The new store, which is set to open in the second quarter of 2025, will fill the 27,271-square-foot space formerly held by Office Depot at 11000 NE Evergreen Parkway.

"We are excited to expand our presence in Hillsboro and offer shoppers in the Tanasbourne area with a unique selection of locally-sourced, high-quality products," said Nancy Lebold, CEO of New Seasons Market. "Our new store will not only create new jobs, it will also continue our dedication to making a positive impact in the communities we serve."

With a strong commitment to supporting the regional food economy, New Seasons Market's latest location will create more than 100 jobs in the Hillsboro community.

"We are thrilled to see New Seasons Market expand its presence in Hillsboro, said Steve Callaway, Mayor of the City of Hillsboro. "The addition of a new store means more grocery choices, fresh food and healthy eating options for our community members."

New Seasons Market's Tanasbourne Town Center store will feature an array of offerings that cater to the diverse tastes of its customers, including:

- Local and organic produce sourced directly from Pacific Northwest farmers
- Full-service meat and seafood department, complete with ready-to-cook house recipes
- Chef-prepared seasonal deli options for on-the-go meals and catering
- Organic, local and everyday grocery staples along with an extensive bulk food selection
- Local craft beer, cider and wine, partnered with artisan cheeses and sweet and savory baked goods
- Full-service floral department, high-quality wellness items and handmade home goods crafted by local artisans

Tanasbourne will represent New Seasons Market's second store in Hillsboro, joining its Orenco Station location. As it does throughout the Portland-area, the grocer's new store will engage in various community initiatives, such as gleaner partnerships, nonprofit donations and staff-led volunteerism.

“We are excited to welcome New Seasons Market to Tanasbourne Town Center. New Seasons Market will give our community access to local, high-quality, fresh food close to home,” said Reed Treadwell, Vice President of Leasing for Tanasbourne Town Center. “New Seasons Market is a welcomed addition to this thriving shopping center, and we look forward to it’s opening and positive impact on our community.”

In addition to the new Tanasbourne Town Center location, New Seasons Market is set to open a store on Main Street in Vancouver later this year, followed by Milwaukie Marketplace in spring of 2024.
