# LET'S GET CRUNCHY

We're big fans of crunchy, dip-able tortilla chips which is why we sought out Salem-based **Don Pancho Mexican Foods** for our **Partner Brand tortilla chips!** They use recipes handed down for generations to make authentic tortilla chips and tortillas, with a taste people can't get enough of!

In fact, since launching our Partner Brand tortilla chips 3.5 years ago, we've sold enough bags that if we laid them end to end, they'd reach from our flagship store in Raleigh Hills to our newest location on Mercer Island!
